Dear David,

A heartfelt thank you for supporting our 2024 Good Person Awards Celebration last night! You made the evening remarkable whether you were in the room with us or cheering us on from afar. Thanks to your generosity, we have raised over **\$300,000** as of today! This support will enable us to continue helping women and families secure stable homes that will transform lives.

We were honored to present Good Person Awards to our incredible Board Members, Bonnie Bach and Mamie McIndoe, and to the inspiring HousingPlus tenant, Rachel Marshall-Brown. These extraordinary women embody the spirit of our mission and we're grateful to have celebrated them with you.

“The problem of homelessness in NYC is not going away; in fact, it's getting worse. That's why we are here. We can keep making a tangible difference every day in the lives of women and children.”

- Bonnie Bach

Thanks to all who have already made a contribution. If you have not had a chance to make a gift, or are inspired to increase your commitment, please consider [making a donation](#) today. Your support will immediately help uplift strong women like Rachel and Briana who shared their personal accounts of how a stable home and caring community have allowed them to realize their potential and pursue their dreams.

As we said at the close of the program, these women are why we come together. We celebrated their resiliency, tenacity, and strength. They have shown that with a home and the right network of support, they can achieve remarkable things. Together, we will continue to support them on their journeys - no matter what shape they take - and look forward to sharing their successes.

Thank you for being vital members of the HousingPlus family.

With gratitude,

Rita Zimmer
Founder & Executive Director
